Electronic Signature Consent

You have been authorized to complete online documents. By continuing with this process, you are consenting to completing these documents electronically, electronically signing these documents, and receiving notices electronically in connection with your application for employment with UTC. During this process, you will be asked to sign one or more of the online documents with an electronic signature. Read the following carefully regarding the electronic signature process:

Applying your electronic signature. Your electronic signature becomes effective after you complete the following steps: (1) verify your Applicant ID, indicate your country of residence, and establish a password and security question; (2) enter verification characters as requested; and (3) click "Save And Continue."

Changing/Updating your online background questionnaire information. Before submitting your completed online questionnaire, you can change/update information by selecting the desired tab (e.g., personal information, address history, etc.), located below the "Welcome" banner, and entering necessary information. After submitting your completed online questionnaire, call or e-mail your UTC Human Resources contact to discuss changing/updating information.

Printing/Retaining your online background questionnaire information. Before submitting your completed online questionnaire, you can print information by selecting "Print" from your internet browser menu bar while viewing the page you wish to print. You can also print your entire online questionnaire, after its completion but before submitting, by selecting the "Review Profile" tab, then "Preview Profile" (button located at page end), and selecting Print All Sections or choosing the desired section(s) in the "Print" drop-down menu.

After submitting your completed online questionnaire, a copy of the completed questionnaire will be sent to you by email along with A Summary of Your Rights Under the Fair Credit Reporting Act; Article 23-A of the New York Correction Law (for New York residents); and your Electronic Signature Consent; demonstrating acknowledgment of and consent to terms and conditions of these documents before you began the online questionnaire. You also may call or e-mail your UTC Human Resources contact for document copies. Proper identification will be required before providing this information.

Hardware/Software requirements. To access and print/retain the Electronic Signature Consent; Background Investigation Disclosure; Background Check Acknowledgment and Authorization; and online questionnaire, a web-enabled computer or device with either a mouse or touch screen capabilities that perform mouse functions is required. Please also note the following recommended system requirements for Internet browsers: Microsoft Internet Explorer® 6.0 or higher; Netscape® 6.0 or higher; Mozilla® Firefox® 2.0 or higher; or Apple® Safari® 1.2 or higher. Pop-up Blockers must be disabled.

Declining/Rescinding electronic signature consent. Once the signature process is completed, your electronic signature becomes binding, as if signed by hand. If you do not accept terms of the Electronic Signature Consent, close your browser without following steps in the "Applying your electronic signature" section of this document. If you accept terms of the Electronic Signature Consent, but wish to withdraw consent for your electronic signature in the future, advise your UTC Human Resources contact in writing. Any withdrawal of consent becomes effective when received.
