Request Number: 15710368

**It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient.**

### Statement of Authenticity

This official transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. This transcript was requested following all applicable state and federal laws, and is the official transcript of the student identified above. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

The transcript key is the last page of this document. For transcripts prior to Fall 1981, see the 'key to grades' section for the transcript key.

If you are not the intended recipient, please notify the Lehigh University Office of the Registrar immediately at [transcript@lehigh.edu](mailto:transcript@lehigh.edu) or (610) 758-3201.

### How to Authenticate This Official Transcript

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by Lehigh University, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#); it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Lehigh University with a valid certificate issued by GeoTrust CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by Lehigh University if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

If you require further information regarding the authenticity of this transcript, you may contact the Lehigh University Office of the Registrar, [transcript@lehigh.edu](mailto:transcript@lehigh.edu) or (610) 758-3201.

Only Admit: 2013 Fall Semester

## Program 1

BS in Mechanical Engineering

College : P.C.Rossin Engrg & Applied Sci  
Major : Mechanical Engineering  
Minor : Business  
Aerospace Engineering

Awarded: BS in Mechanical Engineering 22-MAY-2017

College : P.C.Rossin Engrg & Applied Sci  
Major : Mechanical Engineering  
Minor : Business  
Aerospace Engineering

Inst. Honors: Honors

Steven H Wilson, Interim Registrar

# LEHIGH UNIVERSITY

## OFFICE OF THE REGISTRAR

### TRANSCRIPT KEY

#### ACCREDITATION

Lehigh University is accredited by the Middle States Association of Colleges and Schools. Specialized programs are accredited by various governing bodies.

#### CALENDAR

Early semester. Fall and Spring terms are 70 days of instruction and a 9 day final examination period. Summer term consists of two six week terms and one twelve week term.

#### UNDERGRADUATE GRADES

GRADE	INTERPRETATION	QUALITY POINTS PER SEMESTER HOUR
A	Excellent	4.0
A-		3.7
B+	Good	3.3
B		3.0
B-		2.7
C+	Competent	2.3
C		2.0
C-	Level of Proficiency for prerequisite	1.7
D+	Passing	1.3
D		1.0
D-		0.7
F	Failing	0.0
WF	Withdrawal beyond deadline and/or with failing performance - included in GPA	
P	Passing - assigned in pass/fail courses	
CR	Credit earned toward graduation	
NCR	No credit toward degree	
N	Incomplete	
X	Absent from final examination	
Z	Absent from final examination and Incomplete	
AU	Audit	
W	Withdrawal - after drop/add and up to 11 weeks of semester	
WP	Withdrawn with passing performance at time of withdrawal	
NR	Not reported	
\$	Indicates the grade and credit related to the marked course are included in GPA, but not in credit hours earned.	
*	Indicates that the marked course has a grade assigned that was incomplete and a grade assigned later.	

#### GRADUATE GRADES

DIS	Dissertation is a notation for graduate students only of continuing registration and residence credit towards a Doctoral degree. Is not included in quality grade point averages.
MOC	Maintenance of candidacy is a notation for graduate students only of continuing registration and residency credit towards a Master's degree. Is not included in quality grade point averages.

When a course is repeated (E - exclude from GPA and hours earned or I - include in GPA and hours earned) the student will receive credit toward the degree only once. The final grade received is used in cumulative grade point average calculation. E indicates the grade is excluded from term and cumulative grade point averages.

A grade preceded by an N, X, or Z, e.g. NC-, XF or ZB indicates the lowest possible grade a student may receive after the indicated work is completed. A grade preceded by an asterisk \* e.g. \*F, \*A- indicates the course has been completed and the notation is the final grade assigned.

Grade point averages are calculated by dividing quality points by GPA hours attempted.

Only Lehigh University courses, courses taken through the Lehigh Valley Association of Independent Colleges (LVAIC), of which Lehigh is a member, are used in computing the cumulative grade point average.

ALLN - De Sales University  
CECR - Cedar Crest College  
LAF - Lafayette College

MORV - Moravian College  
MUHL - Muhlenberg College

Transfer credits from other institutions are shown at the start of the transcript and are defined by the term in which Lehigh accepted the credit and the name of the other institution. Grades from all other institutions are not included in cumulative grade point averages and are designated with a TR grade.

#### GRADUATE GRADES

Course grades are defined as for undergraduates except that no grade lower than a C may be counted toward a graduate degree.

#### COURSE NUMBERING

0 - 99	Undergraduate courses, primarily for underclassmen
100 - 199	Undergraduate courses, open to freshmen by petition
200 - 299	Advanced undergraduate courses
300 - 399	Advanced undergraduate courses, open to graduates
400 - 499	Courses open to graduate students only, and undergraduates by petition

#### CONDITIONS FOR THE RELEASE OF TRANSCRIPTS

Transcripts are sent only upon written request of the student. Transcripts are forwarded with the understanding that they will not be released to third parties. The Family Educational Rights and Privacy Act of 1974 specifies that written consent of the student is necessary before this information may be released. If you are unable to comply with this condition, please return this material.

**Release Notes:** Lehigh University does not issue partial transcripts nor does the University reproduce transcripts of academic work completed at secondary schools or other post secondary institutions.

#### Transcript Authenticity

This document is unofficial unless the signature is rendered in white.
